

CASE STUDY

REMEDY MEDICAL PROPERTIES WESTERN NEW YORK | 293,000+ SF

CHALLENGES//

With a medical portfolio totaling over 26M SF, Remedy Medical Properties is the largest private owner of healthcare properties in the country. Ciminelli's relationship with Remedy includes a spectrum of services from development to property management. Remedy's growing portfolio spans several states making day-to-day project management, vendor coordination, and tenant relations challenging.

ACTION PLAN//

Remedy made the decision to engage Ciminelli's real estate team to leverage our medical expertise, local knowledge, and vendor relationships establishing a local management team.

RESULTS//

Through a partnership with Ciminelli, Remedy has successfully acquired and developed numerous marque medical properties in the Western New York region. The tenant and patient experience is second to none and ensures the highest level of medical care and a high performing asset for Remedy. Ciminelli has successfully engaged existing relationships with local medical industry leaders, tenants, and vendors to strengthen the relationship with Remedy and ensure a high performing portfolio.
